Service Club Membership

Your Club Membership guarantees appointment, provides valuable FREE services and discounts on repairs...and allows you to apply a portion of your accumulated monthly unused dues toward the purchase of special services or even a complete replacement system. You are guaranteed at all times that repairs are fixed right or they are FREE.

Regular service of your equipment can save you thousands of dollars over the long haul in energy costs. In fact, as much as 30% per year! And regular service can extend the life of your system. Your membership will literally pay for itself year after year.

You have become a preferred client. You can expect our highly trained and competent technicians to become completely familiar with you and your air conditioning and heating equipment.

Your membership is transferable either to the buyer of your current home or to your new home in Associated Service Centers throughout the country. If you are not 100% satisfied with our service or repair, you do not pay.
